Perhaps the most beloved holiday movie, Frank Capra's "It's A Wonderful Life" captured American hearts with its depiction of George Bailey and his struggles in the small town of Bedford Falls. Experience the nostalgia and sentiment of this classic film through a private collection from Richard Goodson of rare memorabilia including vintage movie posters, photographs, collectibles, and more. Additional seasonal objects from EHM's collection will be on display, including handmade Christmas ornaments from Dresden, Germany and original prints by former Elmhurst resident Lee Sturges, a well-known American artist and etcher.
